

National Registry of Unclaimed Retirement Benefits® (NRURB)

Connecting America's workers with
their unclaimed pension **benefits**.

The Easy, No-Cost Way to Enable Missing Participant Searches

Powered by PenChecks®, Inc., NRURB is a highly secure, searchable, nationwide database of participants who have unclaimed retirement plan assets. It helps those participants connect to recordkeepers, employers and plan fiduciaries so they can claim their overlooked or abandoned retirement funds.

» **NRURB helps employers:**

- Lower plan administration costs
- Reduce fiduciary liability
- Reunite former employees with their retirement funds

» **Using NRURB provides evidence of:**

- Taking “reasonable steps” to uphold your fiduciary responsibility under DOL FAB 2014-01
- Sound policies and procedures for uncashed checks per the DOL’s Missing Participants Best Practices for Pension Plans

» **NRURB helps reunite plan participants with their unclaimed retirement benefits:**

- Fast, simple, and safe way to locate and claim missing funds
- No cost or obligation to search the site
- Unlimited searches

» **Create your account today**

NRURB is a free public domain website:
UnclaimedRetirementBenefits.com

Let **NRURB** Help You

Anyone can search for unclaimed retirement benefits without registering on the website. **Registered NRURB users:**

- Can register former employees with unclaimed retirement accounts
- Are notified when former employees conduct a search on the site, where they can provide contact information

» **Safe, Secure Searches**

To protect your information and the plan participant's identity, NRURB complies with strict web security standards. This includes using proven encryption technology for all personally identifiable information in the database.

» **No Cost to List or Search**

Listing in the NRURB is a free public service designed to help employers, plan fiduciaries and former employees locate each other and resolve unclaimed retirement accounts.
